

Barbara Perrotti

Barbara Perrotti studied for five years at Paier School of Art and with Robert Brackman at the Madison School of Art. She is an award winning painter of people, seascapes and landscapes. She paints portraits both private and corporate, landscapes and seascapes from life; also plein air inspired studio paintings. She has provided workshops, demos/lectures on painting and has served as an exhibition Juror.

Barbara (who began formal drawing at the age of seven) loves creating compositions and working with color. She spent years working on location. Barbara uses and teaches oil painting, pastel painting and acrylics.
